*Note: These electives are just some of many possible options.

However, it is recommended that all psychology students consider taking these courses as well as Social Psychology, Personality Psychology, and Cognitive Psychology

**These courses can be taken during the 7th and 8th semesters.

However, it is recommended that students who are interested in pursuing a career in the field of psychology or who want to pursue graduate school take these courses at least one time starting during their junior year.

⌘ This course name will change, beginning fall 2014 to "Applied Experience in Psychology"
