Psychology Major Requirements (Beginning Fall 2023)

Student Name:	

Courses may be counted toward both Major and General Requirements. However, no course may fulfill two categories of General Requirements. If you use any course for both Major and General Requirements, be sure to count the credits only ONCE toward the degree total.

GPA AND GRADE REQUIREMENTS: A 2.5 average GPA in the major is required for graduation and no more than two psychology courses may have grades lower than a "C." Note: Pass/No Pass courses are not factored into your GPA; Incompletes and Withdrawals do not receive grade points and do not have an effect on the GPA.
